

## *Arabian Ranches Golf Club*

It is indeed a Challenge for golfers, and a hot spot to test their skills! Miss the immaculate grass of the fairways, & greens and you enter the 'sandy waste', which makes the most of the natural terrain with its indigenous shrubs and bushes. All standards of golfers will appreciate the GPS yardage service available on every golf cart.

You will love the natural flow of the holes through the sand dunes and wonderful desert landscape. Many of the holes incorporate some of the truly great design concepts throughout the history of golf course architecture.

Arabian Ranches Golf Club at Arabian Ranches will excite you and continue to entice you back as well as it makes your Golfing experience most enjoyable.
