

## Seaplane Tour

### SEE DUBAI AS NEVER BEFORE...

Named to commemorate Dubai's historic pearling heritage, this 30-minute tour starts as you gently exit the harbor where you marvel at Dubai's breath-taking collection of sights.

After passing the outstanding Dubai Marina you are treated to a birds eye view of the world-famous 'The Palm Jumeirah™', then onto the 'seven star' Burj Al Arab hotel, before moving inland to Downtown Dubai and past the Burj Khalifa the world's tallest building, followed by views of 'The World™' islands, before heading back along the coastline for a second pass and a gentle splash back down to earth.
