

*Abu Dhabi City Tour*

Abu Dhabi is the capital of the United Arab Emirates and the residence of the Federal National Council. One of the world's largest producers of oil, Abu Dhabi, has actively attempted to diversify its economy in recent years through investments in financial services and tourism.

From Dubai we travel past the world's largest man made port at Jebel Ali and onward for a two-hour drive to Abu Dhabi.

You will be mesmerized by the grandness of the new addition to Abu Dhabi's skyline, the majestic Grand Mosque - the third largest mosque in the world. We then visit the Cultural Foundation at the heart of the city next to the famous Union Square, that gathers symbolic themes inspired by the customs of the country. After a drive along

the Corniche, we will visit the Heritage Village, specially designed by late HH Sheikh Zayed Ben Sultan al Nahyan, as a reminder of the past for the younger generation.

You will also have the opportunity to enjoy shopping at the Abu Dhabi Marina Mall with its unique revolving restaurant (advance booking is required). This stop concludes our tour of the emirate, that is so like Dubai and yet so different.
